PROPERTY OWNER

- 7. PROPERTY OWNER AFFIDAVIT. Before the application can be accepted, the owner of each property involved must provide a notarized signature to verify the application is being filed with their knowledge. Staff will confirm ownership based on the records of the City Engineer or County Assessor. In the case of partnerships, corporations, LLCs or trusts the agent for service of process or an officer of the ownership entity so authorized may sign as stipulated below.
 - Ownership Disclosure. If the property is owned by a partnership, corporation, LLC or trust, a disclosure identifying the agent for service or process or an officer of the ownership entity must be submitted. The disclosure must list the names and addresses of the principal owners (25% interest or greater). The signatory must appear in this list of names. A letter of authorization, as described below, may be submitted provided the signatory of the letter is included in the Ownership Disclosure. Include a copy of the current partnership agreement, corporate articles, or trust document as applicable.
 - Letter of Authorization (LOA). A LOA from a property owner granting someone else permission to sign the application form may be provided if the property is owned by a partnership, corporation, LLC or trust or in rare circumstances when an individual property owner is unable to sign the application form. To be considered for acceptance, the LOA must indicate the name of the person being authorized the file, their relationship to the owner or project, the site address, a general description of the type of application being filed and must also include the language in items A-D below. In the case of partnerships, corporations, LLCs or trusts the LOA must be signed and notarized by the authorized signatory as shown on the Ownership Disclosure or in the case of private ownership by the property owner. Proof of Ownership for the signatory of the LOA must be submitted with said letter.
 - Grant Deed. Provide a Copy of the Grant Deed If the ownership of the property does not match City Records
 and/or if the application is for a Coastal Development Permit. The Deed must correspond exactly with the
 ownership listed on the application.
 - Multiple Owners. If the property is owned by more than one individual (e.g. John and Jane Doe or Mary Smith and Mark Jones) notarized signatures are required of all owners.
 - a. I hereby certify that I am the owner of record of the herein previously described property located in the City of Los Angeles which is involved in this application or have been empowered to sign as the owner on behalf of a partnership, corporation, LLC or trust as evidenced by the documents attached hereto.
